Thank you for your interest in the Academy of Laser Dentistry's Standard Proficiency Course. Below are a few course details that might prove helpful.

- We provide the lasers; no need to bring your laser.
- We provide disposable gowns, gloves and masks while working on the pig jaws.
- We provide laser safety glasses. However if you have a pair, bring them along. We will be working with a 980nm diode and a 10,600nm CO2. Be sure the glasses you bring are applicable for those wavelengths.
- Handouts and pens are provided.
- Dress code is business casual.

Please reach out if you have any questions,  
Gwen and Angie
